

Utsunomiya University

Utsunomiya University SPIE Student Chapter

Visiting Lecturer

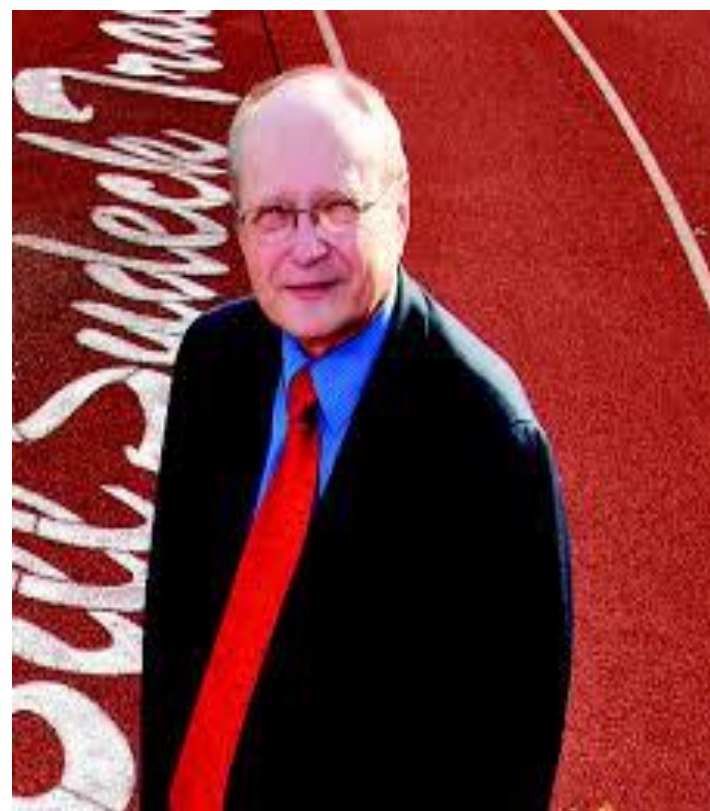

Topics:

1. Dynamic Interferometry
2. Experiences Starting and Growing Optics Companies

Prof. James C. Wyant received the Ph.D. in optics from the University of Rochester in 1968. He is Professor Emeritus and Founding Dean of the College of Optical Sciences at the University of Arizona. He is a co-founder of the WYKO Corp., 4D Technology and Dmetrix, and the president of WYKO Corp., 1984-1997. Prof. Wyant was a member of the Board of Directors and Executive Committee of the Optical Society of America (OSA) and he was the president of the International Society for Optics and Photonics (SPIE) in 1986. He has received several awards including the OSA Joseph Fraunhofer Award in 1992 and the SPIE Gold Medal in 2003.

Prof. James C. Wyant
